Location

We are instructed to sell the site which is accessed off both Station Road and Whitemoor Road in the village of Foulridge. The main site is located in the heart of the village and accessed off Station Road. Forming part of the consent for two larger plots which are accessed separately off Whitemoor Road (see location plan).

There is a mix of local shops within walking distance and the main bus route is accessible from Skipton Road.

Description

The main site on Station Road was originally a factory that had been used for light manufacturing. This has been cleared and the site levelled. In one corner there is a sub-station which is to be retained and the development takes this into account. There are two large plots that are situated close by that are accessed off Whitemoor Road. It currently forms part of a car park and to our knowledge there has never been a development on this site.

Permission has been granted for thirteen 3 bedroomed and 4 bedroomed dwellings, together with a new access road and landscaping application 20/0758/FUL.

The thirteen dwellings are as follow:-

5 x 3 bedroomed dwellings facing Station Road

1 x 4 bedroomed detached facing Station Road

5 x 3 storey dwellings including integral garage to the rear

 2×4 bedroomed detached with integral garages situated off Whitemoor Road

Layout plans, house types, and photographs of the site are available on application.
