Archway Homes are delighted to announce our new development Salters Grove, situated on Chester Lane, Salterswall, in the heart of Cheshire.

This superb development consists of 18 desirable freehold properties, 5 of which offer affordable housing for local people. Professionals and families will be spoilt for choice between the remaining four designs of stylish four-bedroom properties, each with its own garage and gardens.

Nestled in the corner of the development, the Hawthorn is a fabulous corner house with 4 bedrooms, a double garage, and gardens to two sides.

The ground floor begins with a stunning entrance hallway. Leading from which is the lounge with windows to the front and rear elevations. The kitchen / family room has French windows opening onto the garden and double doors opening onto a formal dining room. A utility room and cloakroom complete the ground floor.

Upstairs, a wonderful galleried landing leads to four double bedrooms, two of which are en suite, and a family bathroom. The master bedroom is fitted with Hammonds wardrobes.
