INTRODUCTION

The Boutique is an all-new luxury lodge by Omar with exciting design features at every turn.

The front elevation, with an offset roof, large, boxed-out feature windows, French doors, and feature vertical and horizontal cladding, is striking and innovative – a lodge that is sure to turn heads and will really stand out on-park for its interesting lines and contemporary feel.

Inside, the interior design is characterful with conversational features including contemporary rustic-chic furnishings, feature walls, and a large window seat in the lounge to the front elevation – perfect for getting lost in a good book or gazing out over a view.

The master bedroom with a feature beam and inset feature wall with a striking headboard and suspension lights makes a bold impression. It's not only the interior design that is a talking point here though, but the innovative layout also leads through a walk-through wardrobe to an en-suite shower room. The second, third, and fourth bedrooms are equally stylish and have two offset single/double beds with handy shelves with USB points.

Continuing the innovative styling, the family bathroom has a 'P' shaped shower-bath, and both the bathroom and en-suite have stylish shaker style vanity units and illuminated mirrors.

Escape to a peaceful paradise at Delamere Lake Sailing & Holiday Park, nestled in the heart of Cheshire's woodland and lake district. Relax in one of the beautifully appointed lodges, complete with private sun decks and outdoor hot tubs, perfect for a romantic getaway or a family break. Immerse yourself in nature's beauty and watch the wildlife in their natural habitat or join in on the action-packed list of outdoor activities.
