As you approach the property, you'll immediately notice the classic bay window, which adds character to the front facade. Close to bus stops, local schools and a short walk into the town centre.

The living room is not only spacious but also inviting, with a gas fire at its center, framed by an elegant mahogany surround. The bay window in this room allows natural light to flood in, creating a warm and cozy atmosphere. Adjacent to the living room is the dining room, which also features a gas fire, perfect for those colder evenings. What sets this room apart is the set of patio doors that lead to the rear yard.

Moving towards the rear of the house, you'll find the kitchen extension. This modern kitchen is equipped with matching wall, base, and drawer units, providing ample storage and workspace for all your culinary needs. In the corner of the kitchen, you'll find a combination boiler.

Heading upstairs, you'll discover two generously sized single bedrooms. These rooms are bright and well-appointed, offering plenty of space for your needs. The main bedroom is a double and provides ample room and storage. The central bathroom features a three-piece suite, comprising a low-level WC, a pedestal hand wash basin, and a paneled bath. It should be noted that the bathroom does require upgrading.
