Description

The Clock Tower is a high quality development of modern self-contained office buildings of two storey brick construction with pitched roofs.

Built to a high standard, the offices are ideally suited to businesses requiring modern, efficient premises. The buildings are fully alarmed and have key code entry systems. The whole scheme benefits from CCTV which is remotely monitored.

The subject accommodation is currently arranged on the ground floor to provide a mix of open plan and private offices, meeting rooms and kitchen. These have been created by way of high quality partitioning which incorporates polar glazing in some areas. In addition the accommodation has been 'flood wired' with Category 5 cabling. This would mean an occupier could move in immediately with little 'fit-out' work required.

Location

The Clock Tower is a courtyard scheme of individual office buildings in an attractive setting adjacent to Holmes Chapel railway station. The development is on Manor Lane close to the A54 and junction 18 of the M6 motorway. Holmes Chapel town centre is within half a mile and Manchester Airport is approximately 11 miles away.

There is an abundance of amenity within Holmes Chapel, including Costa Coffee, Sainsburys Local, Tesco Express, Aldi and a number of independent retailers and cafe's including Mandeville's bakery, Holmes Sweet Home and Charlies Bar.
